The S.E, S.C. does not appear to have appreciated the implications of pp 5-6 c/s G.L. No 2078/48-E (II), dt. the 13-1-50 wherein the S.E. was requested to elucidate (1) whether the posts mentioned by him were likely to continue for more than 3 years and (2) why he has approached Govt for orders when he is the competent authority. The S.E. has not given direct replies to either of the two queries.

2. As regards (1) it appears from the S.E's p 7 c/s letter under disposal, that as these posts are in existence since the 1-7-47 they are likely to be continued for more than 3 years. The S.E., as competent authority should have certified this and declared the posts as substantive permanent.

3. Re. (2) there was no need for the S.E. to have approached Govt at all as he is competent to issue such orders. It may be pointed out that no other local officer has made a similar reference. The pps may be rejd. up to the S.E, S.C. for further elucidation.

BELGAUM: 27 December 1949.

Subject: Temp: posts -
Declaration of - as substantive -

The following temporary posts of clerks in this Circle sanctioned by Government in view of territorial changes as also the opening of new Sub Divisions for Village Water Supply Works and Road Projects etc., in this Circle, have been continued for over two years and are likely to continue for at least 3 years more due to expansion of P.W.D. activities.

Grade	No. of posts

70-5-95 Rev.Scale 92-8-140	23
25-5/2-65 Rev. Scale 46-3-85-4-105	57

It is therefore requested that the above temporary posts for which annual sanction is being obtained may please declared as substantive temporary posts, in order to facilitate the incumbents of these posts to enjoy leave at their credit without causing any postponement in their dates of increments. At present the dates of increments of the incumbants in the temporary post of the above nature are postponed by the period of earned leave as interpreted by the Accountant General, Bombay in his letter No. D.A.IX-SC-563, dated 28-7-1948 (copy attached). Further it is learnt that the dates of increments in the case of temporary posts in Karnatak Irrigation Circle and Public Health Department are not postponed on the presumption that the temporary posts are substantive ones whereas the same are treated in this Circle as purely temporary sanctioned from year to year i.e. on annual basis.

2. Lately Government have issued orders in G.R.,F.D.No 6567/33 of 26-9-49 sanctioning liberlisation of Revised Leave Rules 1935 and it is the object of Government to encourage the Government servants to avail themselves of their earned leave etc., at short intervals so that the public service may have the benefit of their return to duty in renewed health. But this object will not bear any useful purpose so long as Government servants especially those on temporary establishment feel that they will be losers by going on leave in respect of pay, increments etc.

3 ...

3. Under the above circumstances, it is requested that the temporary posts under reference may kindly be declared as substantive temporary.

To

Subject: Temporary posts:
Declaration of -
as substantive.

Reference: Government P.W.D. letter No.2078/48-E(II) dated the 13th January 1950.

2. In the note below B.C.S.Rule 9(56) it is stated that appointments to temporary posts should be made in a limited number of cases only as for example when the posts are quasi-permanent, or when they have been sanctioned for a period of not less than or they will not terminate within a period of three years. But in the case of temporary posts mentioned in this office No. G-55 dated 27-12-1949, annual sanctions to the continuance, are accorded by Government from 1946-47. And due to the temporary nature of these posts the increments in the case of holders of these posts are required to be postponed even if they proceed on earned leave in view of the Accountant General, Bombay's No.D.A.IX-S.C.563 dated 28-7-1948(copy attached to this office No.G-55 dated 27-12-1949). In order, therefore, to give benefit of the leave period to such temporary incumbents towards increments, it was requested that these temporary posts may be declared as substantive temporary.

3. Now, in view of the facts explained above, I would again request that Government may please be moved to declare these temporary posts as substantive temporary with effect from ~~xxxxxx workcharge from~~ 1-7-1947 as since that date as many as 35-40 subordinates have been appointed to such temporary posts.
